

# MARINAS OPERATING UNDER GOVERNOR'S ORDER

**Public Health**  
Prevent. Promote. Protect.

The Governor's Office has classified marinas as recreational businesses, which must cease operations under the Governor's order that all non-life-sustaining businesses in Pennsylvania close their physical locations.

**The Fish and Boat Commission will also be applying these guidelines at their marinas.**

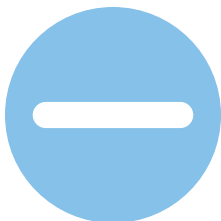

## OPERATIONS THAT MUST CEASE

- Boat rentals
- New boat storage rentals
- Charter and guide services
- The operation of docking and storage facilities for pleasure craft owners must cease under this order.

## OPERATIONS THAT MAY CONTINUE

- Self-operated boat launch
- Boat repairs only, not routine maintenance
- Existing boat storage rentals
- Fuel sales

## OPERATIONS THAT MAY CONTINUE REMOTELY, VIRTUALLY OR VIA TELEWORK

- Reservations for future rentals once the order is lifted

- Bait and tackle sales (only if self-service or sold remotely, online, or by telephone)
